In Loving Memory of Justin Applewhite

*A precious one from us is gone,
a voice we love is stilled.
A place is left vacant in our home,
Which never can be filled.
And after a lonely heartache,
And many silent tears,
But always a beautiful memory,
Of one we loved so dear.
Rest In Peace.*

The Senior Retreat

On April 6, the seniors journeyed to an unknown place. All we knew about the retreat was the name. The name of the retreat was “Kairos” which means “the Lord’s time”. This was time for us to meditate and reflect on our lives at the present moment and about our future. We also spent time creating better relationships with classmates we would not normally talk to. We are the first class to do on this retreat. This is a great senior tradition that Bishop Byrne has begun.

inspires us all!!!

The “Kairos” retreat was a great experience. As seniors of Bishop Byrne we encourage all students to attend such a retreat because the spiritual memories will last a lifetime.

Every year students are inducted into the National Honor Society. Students with a G.P.A of 3.25 or higher are nominated by the faculty. The averages are verified by the sponsor, Dr. Frank Maranise, and the faculty votes on the list. Those selected are honored during the induction ceremony, to which family and friends are invited. The chapter officers introduce the five requirements for membership. The five officers each light a candle symbolizing Knowledge, Leadership, Character, Service, and Scholarship. Next, the inductees repeat the Oath of Commitment to ensure their willingness to join the National Honor Society. Dr. Edwards, the Principal, then presents them with their certificates of membership and each inductee lights a candle signifying their future in the society. Lastly, the current officers recognize and induct the officers for the 2005-2006 school year.
